## Box Tote Bag Corners

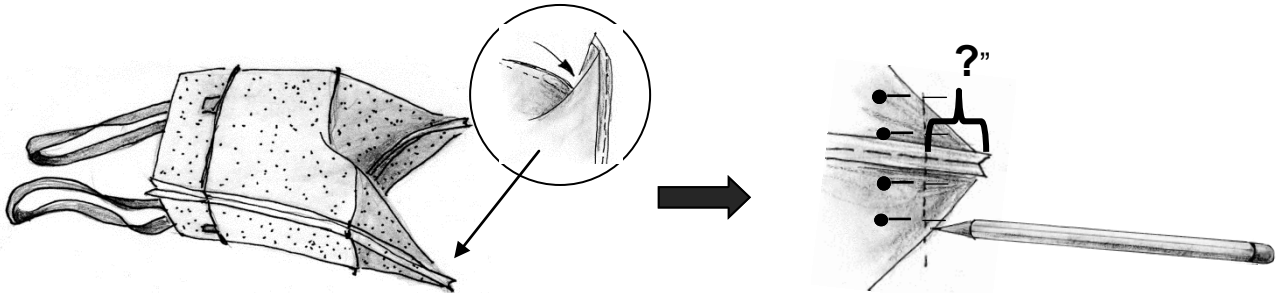

Fold bag right sides together matching all trim, decorative elements, and/or horizontal seams as necessary. Stitch down side and across bottom. Press side/bottom seams open.

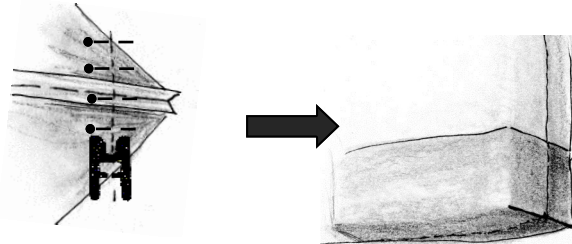

Refold bag matching side seam and bottom seam. \*Mark a line "?" from point across bottom to create a seam line. Pin all layers together.

\* Note: This measurement varies depending on pattern requirements and/or use of finished bag.

Stitch on marked line back-stitching at each end. Open bag and check seam. Re-stitch if necessary.

Trim away triangle leaving a 1/4" seam allowance. Repeat for other corner. Repeat these steps for the lining as needed.
